Coast Elite Gymnastics Academy (CEGA) does not tolerate bullying or harassment. All members are prohibited from bullying or harassing anyone. Coast Elite has full authority to remove anyone registered in any of our programs without reimbursement of funds if they feel they have violated any of the policies listed below. CEGA believes that its environment should at all times be supportive of the dignity and self-esteem of individuals based on mutual respect, honesty and trust, and that all individuals are to be treated with respect and fairness at all times.

In this Policy we use the word "bullying" to encompass both bullying and harassing behavior.

Bullying is conduct that is unwelcome by others, including other athletes, coaches, and faculty and staff members. This includes conduct which a person knows, or ought reasonably to know, is unwelcome to the recipient. Unwanted physical contact, verbal abuse and threats, neglect, and unwelcome remarks including jokes, innuendo, or taunting (in verbal, written or digital form) about a person's body, race, gender identity, attire, sexual orientation, or religion are all forms of bullying.

Other examples of bullying may include but are not limited to:

- Personally picking on a person in front of others, or in private.
- Non-constructive criticism addressed in such a way as to belittle another person's abilities and achievements, intimidate, undermine confidence, or implies incompetence.
- Physical violence such as hitting, pushing, spitting or cruel practical jokes towards another person.
- Interfering with another person's property, such as by stealing, hiding or damaging it.
- Using abusive or foul language and/or intimidating behavior including gestures and comments and use of offensive names when addressing another person.
- Making rude, derogatory or offensive remarks, teasing or spreading rumors about another person or his/her family.
- Writing offensive notes or graffiti about another person.
- Unreasonably excluding another person from a group activity.
- Ridiculing another person's appearance, way of speaking, or mannerisms.
- Cyber Bullying: misusing technology to hurt, intimidate, embarrass, and/or humiliate another person.
- Hazing: any initiation practice that may humiliate, degrade, demean, and/or disgrace a person regardless of location or consent of participants.
- Repeated behavior which a person has previously objected to.
- Any unwanted sexual remark or physical contact.

Bullying can occur either through a single incident, or through a series of incidents. Bullying may occur even if the individual involved does not intend his/her conduct to be bullying.

Minor verbal disagreements, personality differences and consensual banter among equals do not normally constitute bullying.

Thank you
